CHECK SHEET FOR BIOCHEMISTRY MAJORS (under GEC)

Name: __________________________________ Student Number: __________________
Date of First Registration: __________________

**Required Curriculum:**
Chem (115, 116, 215 or 117, 118) 233, 234, 235, 236, 341, 342, 401, 403
BIOL 115, 117, 219, 310, (313 or 410)
AGBI 199, 410, 411, 494 (Senior Seminar in Biochemistry)
Math 155, 156
Physics 101, 102 or 111, 112
Foreign Language (12 hrs.) ________________________________

**BioChem Electives (12 hrs):**
Chem 310, 312, 313, 335, 339, 422, 490, 491, 497, 514, 531, 547
BIOL 313, 436, 493
Biochemistry 492
At least one chemistry course numbered 310 or higher must be completed.

**General Education Curriculum (effective for new students entering fall 2005)**

Objective 1: (6 hrs)  **English 101, 102**
Objective 2: satisfied by Chemistry degree requirements
Objective 3: (3 hrs) ________________________________
Objective 4: (3 hrs) ________________________________
Objective 5: (3 hrs) ________________________________
Objective 6: (4 hrs) University 101 or equivalent and ________________________________
Objective 7: (3 hrs) ________________________________
Objective 8: (3 hrs) ________________________________
Objective 9: (3 hrs) ________________________________

Total Hours Required for B.A. Degree: 128 Hrs

* A grade of C is required of all prerequisites for chemistry courses.
